

Society Member Access to the journal Pharmacological Research

Instructions for the Members of the Società Italiana di Farmacologia (SIF)

To activate access to this new Society Site, and to create your personal account on ScienceDirect, you will need to use your Society Membership Number.

Please enter your Society Membership Number and Password in the upper-right hand corner of the Homepage at the following URL:⇒

<https://www.sciencedirect.com/yphrs/activate/members>

If you don't know your Society Membership Number and Password (or have forgotten it), please can you contact Ida Ceserani at: ⇒: sifcese@comm2000.it

It is important to note, that all user-names and passwords to ScienceDirect are case sensitive.

Please Note: “<https://>” MUST be entered for this URL – “<http://>” will not work. This is to ensure that your registration details are secured in our Customer Service System when you enter them into the registration form.

Please Note - Do NOT use special characters, such as ö, ä, æ when entering your personal details into the profile form.

After entering, click on "submit". The next step is completing a user profile. You will be asked to fill out a form and choose a password. An unique username will be assigned.

After registration you can directly login with your new username and password. Please go to your Society Members Site, via the following URL:⇒

<http://www.sciencedirect.com/yphrs>

and enter your personal username and password in the login bar on the top of the page.

If you encounter any problems registering, please note that older browsers may not support SSL encryption, which is required for secure data transmission. Also, cookies must be enabled in your browser to support the registration process.

Please note, access to this journal on ScienceDirect, via your Society Access, is available from articles published after January 1995.

Should you require any assistance, please do not hesitate to contact the closest Customer Support department as follows.

Please mention the title of the journal you are trying to access, the URL of the site and the name of your society in your communication.
